

**METRO EXPORTERS**

## Milk Growth Promoter

Our clients can avail from us, **Milk Growth Promoter**, which is offered under the brand name **Ecogold Bio Ksheera**. This product has absolutely no side effects and is completely natural. We came up with this product after conducting 6 years of extensive research and undertaking numerous tests in laboratory & on animals at a Veterinary University and many other dairies. Clients simply admire this product, as it is known to improve the health of animals, apart from increasing milk yields and SNF.

### Salient Features:

- Safe to use and has no chemicals
- Citrus smell and well liked by the animals
- Herbal product and not Synthetic or Hormonal or Antibiotic
- Gives extra milk / Fat as a result of overall improvement in animal health
- Cost-effective
- Accepted by modern scientists & veterinary doctors
